## Satisfactory Academic Progress Policy

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

### EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology/Barber	450, 900, 1250, & 1600 clocked (actual) hours
Esthetics	450, 900, & 1200 clocked (actual) hours
Basic Esthetics	300 & 600 clocked (actual) hours

\*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

### ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

### MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE	MAXIMUM TIME ALLOWED	
	WEEKS	SCHEDULED HOURS
Cosmetology (Full time, 35 hrs/wk) - 1600 Hours	69 Weeks	2400
Cosmetology (Part time Day, 29 hrs/wk) – 1600 Hours	83 Weeks	2400

Esthetics 1200 hour (Part time, 20 hrs/wk) – 600 Hours	90 Weeks	1800
Basic Esthetics (Full time, 35 hrs/wk) – 600 Hours	26 Weeks	900
Basic Esthetics (Part time, 20 hrs/wk) – 600 Hours	45 Weeks	900

**Title IV Payment Period Maximums**

	MAXIMUM TIME ALLOWED	
	WEEKS	SCHEDULED HOURS
(Full time, 35 hrs/wk) - 450 Hours	19 Weeks	675
(Part time Day, 29 hrs/wk) – 450 Hours	23 Weeks	675

(Part time, 29 hrs/wk) – 300 Hours	16 Weeks	450
(Part time, 20 hrs/wk) – 300 Hours	23 Week	450

This institution operates all programs according to a schedule of 900 hours per academic year of instruction.

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours.

Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

**ACADEMIC PROGRESS EVALUATIONS**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 80% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

90 - 100	(A)	EXCELLENT
80 - 89	(B)	SATISFACTORY
79 and BELOW	(F)	UNSATISFACTORY

**DETERMINATION OF PROGRESS STATUS**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress will have their Title IV Funding interrupted until they are able to reestablish Satisfactory Academic Progress, unless the students is on warning.

**WARNING**

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, the student will be deemed ineligible to receive Title IV funds.

## **RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS**

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning period.

## **INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS**

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Changes in majors/degrees or pursuit of a second degree are not offered at this institution.

## **APEAL PROCEDURE**

Taylor Andrews Academy does not currently acknowledge any appeal process for Financial Aid Warnings or Unsatisfactory Progress.

## **NONCREDIT, REMEDIAL COURSES, REPETITIONS**

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

## **TRANSFER HOURS**

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

## **Attendance Policy**

1. The course length is 1600 clock hours for Cosmetology/Barber, 600 clock hours for Basic Esthetics, and 1200 clock hours for Esthetics
2. It is understood that the course length that is being paid for is 54 weeks (F/T Day) or 66 weeks (P/T Day) for 1600 clock hours Cosmetology/Barber, and 21 weeks (F/T Day), or 36 weeks (P/T night) for 600 clock hours Basic Esthetics, and 41 weeks (F/T Day), or 71 weeks (P/T night) for 1200 clock hours Esthetics, depending on the students' schedule.
3. The student agrees to pay extra instructional charges for each hour needed to complete requirements beyond the calculated completion date. Extra instructional charges will accrue whether or not the student actually attends, and will be charged at a rate of \$7 per hour. All charges will be due and payable monthly. Transfer students will be calculated pro-rata. Excused/Unexcused absences are not applicable, as time has been added to your contract graduation date to accommodate sick and personal days. Medical documentation for absences will not be accepted, as time has been added to your contract graduation date to accommodate sick and personal days. Exceptional and emergency medical conditions will be reviewed individually by the Academy Owner on a case-by-case basis, and the decision will be final.
4. All students will be required to clock in and out using the time software provided by the school. If a student fails to clock in or out, they may complete an hour discrepancy form, which will be reviewed weekly by the administration. If there is a continued problem per student, the student may incur additional disciplinary action upon the discretion of the administration.
5. All students must sign out and in with the front desk during for their 15 min break time/dinner break time. If a student fails to sign back in, the school will assume the student has not returned for that day and the student will be clocked out. If the student did return, they will need to complete an hour discrepancy form which will be reviewed weekly by the administration. If there is a continued problem per student, the student may incur additional disciplinary action upon the discretion of the administration.
6. All students that are scheduled to attend Saturdays, may only miss one Saturday per month (not including any scheduled holidays off).
7. If a student fails to attend school for more than 14 calendar days, the student will be dropped from the Academy.

## **Makeup-Work Policy**

Students who are absent must make up any tests, assignments, classes or theory prior to graduation. Hours may be made up during the students non-scheduled school time, according to the Makeup Hours Policy below.

## **Makeup Hours or Extra Hours Policy**

A student may make up or receive extra hours if: (Makeup Up/Extra Hours for this policy is any clocked time prior to 15 minutes before your scheduled start time, and/or 15 minutes after your scheduled end time).

- The student must be here their entire regular scheduled time for that day.
- There is availability with our instructor to student ratio of 1:20 and the student has been put on the list at the front desk. (The academy recommends calling and speaking with the front desk prior to arriving to make sure the student is able to clock in.)
- The student can accept clients (not in Level 1 Freshmen).
- The student is applying their efforts towards the study of Cosmetology or Esthetics in practice or theory.
- A maximum of 48 hours a week is allowed for any student.

The student must meet these requirements to continue eligibility of this privilege, therefore if a student fails to meet this requirement: upon first offense, the student will be given a written warning, upon second offense the student will lose the privilege to attend any extra hours outside of their normal school schedule.

### **Leave of Absence**

Taylor Andrews Academy prides itself in preparing the students for a real life work experience during training. Therefore, in order to take a leave of absence a student must complete a student request for leave of absence form in writing including the reason for the request. This must be signed by the student and turned into the Admissions Advisor at least one week in advance unless for reasons of unforeseen circumstances. If a leave is approved in this case the institution must document the reason for its decision and the request must be collected at a later date. The date the leave begins would be determined by the institution to be the first date the student was unable to attend the institution because of the unforeseen incident. Each leave of absence request will be reviewed by the Owner on a case-by-case basis. **Please note that the Academy does not have to grant a leave of absence.** The Owner may grant a leave of absence based on the following criteria:

1. Temporary disability
2. Medical reasons deemed necessary by a physician
3. Charitable Sabbatical
4. Maternity Leave
5. Family/Personal problem
6. Covid-19

There must be a reasonable expectation that the student will return from the LOA in order to be approved. If a Leave of Absence is granted the authorized leave must be taken in succession. The student must understand that they may not receive all classes that are offered at the institution depending on the timeline of the leave of absence. The leave must be for a minimum of 30 days and a maximum of 90 days (unless approved by the academy), with the exception of Covid-19 the academy will grant a 14 day minimum Leave of Absence. Not ever to exceed a total of 180 days in any 12-month period of time. An authorized Leave of Absence will extend the calculated completion date by the length of the Leave of Absence, and the student and administration will initial the new completion dates on the enrollment agreement once the student returns from the Leave of Absence. No additional institutional charges will be assessed as a result of the leave of absence. A student granted an LOA that meets all the criteria is not considered to be withdrawn and no refund calculation is required at that time. If a student fails to return from a leave of absence when scheduled, and does not contact a school administrator to extend, the student will be withdrawn. The withdrawal date for the purpose of calculating a refund is always the students last day of attendance.

All fees are identified in this catalog and in the enrollment agreement.

**Treatment of Title IV Aid when a student withdraws (R2T4 Policy)**

The law specifies how we must determine the amount of Title IV program assistance that you earn if you withdraw from school. The following federal aid funds may be affected if you withdraw, stop attending, or never attend classes:

- Direct Unsubsidized Loans
- Subsidized Loans
- Direct Parent PLUS Loans
- Pell Grants

The system used to determine the withdrawal date is

- 1 A student notifies the institution of his/her withdrawal in writing.
- 2 A student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.
- 3 A student is expelled by the school. (Unofficial withdrawals will be determined by the institution by monitoring attendance at least every 14 days.) If a student does not notify that school that s/he is withdrawing, and has not attended for 14 days, a formal termination shall go into effect.
- 4 In type 1, 2, or 3 official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to Taylor Andrews Academy – St George administrator or owner in person.

In all 4 types of withdrawals, the institution will use the last date of attendance as the official withdrawal date. When you withdraw during your payment period the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received less assistance than the amount that you earned, you may be able to receive those additional funds.

If you received more assistance than you earned, the excess funds must be returned by the school and/or you. The amount of assistance that you have earned is determined on a prorata basis. For example, if you completed 30% of your payment period, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period, you earn all the assistance that you were scheduled to receive for that period. If you did not receive all the funds that you earned, you may be due a Post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, we must get your permission before we can disburse them. You may choose to decline some or all or a portion of your post-withdrawal disbursement of grant funds for tuition, kit, or fees. The school needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school. There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. If you receive excess Title IV program funds that must be returned, we must return a portion of the excess equal to the lesser of: 1. your institutional charges multiplied by the unearned percentage of your funds, or 2. the entire amount of excess funds. We must return this amount even if it didn't keep this amount of your Title IV program funds. If we are not required to return all the excess funds, you must return the remaining amount. Any Title IV program funds due for return shall be refunded to the Department of Education within 45 days of a determination that a student has withdrawn, whether officially or unofficially. The order of which Title IV funds will be returned first Unsubsidized Loans, if there is still a remaining balance to return from the payment period then second will be Subsidized Loans, and if there is still a balance to return from the payment period then third will be Direct Parent PLUS loan, and if there is still a balance to return from the payment period the last will be Pell Grant. Any loan funds that you must return, you repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period. Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must decide with your school or the department of education to return the unearned grant funds. **The requirements for Title IV program funds when you withdraw are separate from our school's refund policy.** Therefore, you may still owe funds to the school to cover unpaid institutional charges. We may also charge you for any Title IV program funds that the school was required to return.

### **Financial Obligations**

Student hours, supplies and equipment will not be released until all financial obligations owed have been satisfactorily met to the Academy including any amounts owed under financing arrangements. The students must be paid in full in all financial obligations owed to the Academy to receive Verification of Hours that must be provided to the State of Utah to receive Licensing.

### **Available Services**

A notebook with available services such as financial counseling, drug and alcohol counseling and information on domestic abuse, GED's, shelters and housing, etc. will be kept in the Administration office. Current job opportunities will be posted in the student break room and our Employment Opportunities Book in the Instructors office.

### **Access to Records and Right to Privacy/FERPA**

1. The right to inspect and review the student's education records within 45 days of the day the Academy receives a request for access.

A student should submit to the Administration of the Academy a written request that identifies the record(s) the student wishes to inspect. The Administration will make arrangements for access and notify the student of the time and place where the records may be inspected. All record reviews will be scheduled during regular school hours under appropriate supervision. If the Academy official to whom the request was submitted does not maintain the records, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

If the Academy decides not to amend the record as requested, the Academy will notify the student in writing of the decision within 14 days of receipt of the written request and the student's right to appeal the Academy's decision regarding the request for amendment. The student must submit a request for appeal in writing to the Owner of the Academy providing all reasons and supporting documentation why further consideration should be made. The Academy will notify the student in writing of the appeal decision within 14 days of receipt of the written

request. This decision is final.

3. The right to provide written consent before the Academy discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
